Prices are subject to VAT. All trading is subject to our standard conditions of sale (copy available).

Notes

This flue costing is based on information provided. Please have your architect check the costing to your drawings prior to ordering. to ensure that it meets with your requirements. Please also check the pot/terminal style and colour.
For construction guidance refer to the flue illustration and the installation guide available by post, fax or website.
The infill is based on a 20mm void between the liners and masonry
Please ensure that the flue and chimney are constructed in accordance with Building regulations part J
