All trading is subject to our standard conditions of sale (copy available).

Notes

This flue costing is based on information provided. Please have your architect check the costing to your drawings prior to ordering, to ensure that it meets with your requirements. Please also check the pot/terminal style and colour.

For construction guidance refer to the flue illustration and the installation guide available on our website dunbrikflues.co.uk

The infill is based on a 290mm x 350mm void between the liners and masonry

Please ensure that the flue and chimney are constructed in accordance with Building regulations part J

Notes

Chimney Height from FFL to underside of chimney pot.
